Unveil Ricgraph, a groundbreaking tool reshaping research data into a dynamic graph. Navigate connections among researchers, publications, and projects across diverse platforms. Seamlessly answer intricate inquiries and visualize networks. Ricgraph, led by Arjan Sieverink from Utrecht University, opens doors to boundless research management possibilities. #PRCN2023 #RIMS #CRIS #ResearchManagement <http://spkl.io/60464Lqvu>

Ricgraph: showcasing research in context using Pure and other sources...
